Why is the date/time I want not appearing?

When choosing a booking time, times not displaying are already taken. No bookings will appear for a particular day if that day is already fully booked.

How many dogs can I bring?

You can bring up to 4 dogs for your booking. There is an additional charge of £1 per dog for each dog you bring over 4 dogs. Additional payments owed can also be made via PayPal: (our PayPal link: <https://www.paypal.com/paypalme/chapelfarmdogpaddock>)

How many vehicles can I bring and is there parking?

There are no additional charges for more than one vehicle. There is enough space for 2 to 3 cars to be parked inside the parking area of either paddock.

Should I select to register for an account after booking?

You have the option to register for an account. This allows you to view/manage your bookings when logged in. Please be aware that any bookings you make whilst NOT logged in will not display on your account. Please contact us if you have any bookings not displaying and we can add/link these to your account.
