

Guide to buying and using a package at Chapel Farms Secure Dog Paddock

This guide shows how to buy/use 5 for the price of 4 packages for both 30 and 60 minute sessions

Buying a package allows you to use our paddocks for £4 per 30 minute session or £6.40 per 60 minute session. You do not need to make your bookings up front when buying a package and a package can be used across both paddocks.

Please contact us if you have difficulties or have any other questions. [Select here to book now](#)

Please Note: To view how many package bookings you have left, use the **CHECK CODE BALANCE** link at the bottom of the [booking page](#) and enter a package code or your Email address

Step 1: From the Chapel Farms Secure Dog Paddock website, select to [Book online / Book now](#)

Step 2: Our online booking page will load. Scroll down the page until you see the package you wish to buy then select to purchase it. The package options appear like you see in this image:

Products & Subscriptions

Step 4: You are now ready to make your bookings using the package. To make bookings with your package, book a slot just as you would without using a package - select to book online from our website and select either a half hour or 1 hour session as normal (whichever type of session your package(s) bought was for). Please note: Package users only need to specify and pay an additional fee for a booking if you are bringing 6 (additional £2) or more additional dogs. Package users bringing 5 dogs to a package booking do not need to specify any additional dogs. Choose the paddock you wish to book for, the desired date/time, then enter your personal details (first name etc) as normal. After entering your details and selecting to agree to the terms and conditions, select the **CONTINUE TO PAYMENT** button as normal.

Step 5: Now on the Payment information page, enter the package **Certificate code** (you can find this in the package purchase confirmation Email) into the **Package, gift, or coupon code** section then select the **Apply** button that appears. You will now be able to select the button to **Confirm** your booking.
